About the Role

As a Fitness Instructor, you will be helping our Members achieve their fitness goals - and have a great experience doing so! You will help to onboard new Members into the gym, supporting them to feel comfortable and confident in exercising and using the top of the range equipment safely.

As a fitness professional, you'll help Members to identify and achieve their goals, with relevant advice and tailored training plans, that inspire and motivate them. You will deal with customer enquiries and bookings, as well as supporting any promotional activities we have on.

We take great pride in our facilities and the environment we offer to our customers, so we'd expect you to take pride in the gym, ensuring it's clean, tidy, and safe for everyone to use at all times.

About You

You will be an enthusiastic and passionate individual, with excellent people skills.

Our Members and customers are hugely important to us, so we're looking for someone who can put people at ease, and who has a desire to make sure everyone is having a great experience at all times.

You will ideally have some experience of working within a leisure, fitness or health facility, along with a Level 2 Gym Instructor qualification. However, we're happy to support you achieving this qualification if you don't already have this. We love to grow our staff, so a desire to learn and develop is essential for this role.

You will need to be fully flexible on shift patterns as our Members like to train from 6am to 9pm, and it goes without saying that we want you to be super passionate about health and fitness.

If you're a friendly, enthusiastic person, with a genuine desire to help others, and would like to work in a fast paced, highly successful Company, then this could be a perfect fit for you.
