## About the Sites

We have lots of opportunities for people wanting to build a career in the hospitality and restaurant industry. Each of our 5 stunning venues offers something a little different to the customer whilst keeping high standards and quality across the board.

The Rainforest Diner, based in SC2 Waterpark, serves high quality fast food, feeding thousands of hungry customers that need refuelling after a high energy day on the waterslides or at Ninja TAG Active.

We're open all year round, but we're busiest during the holidays with both holiday-makers and local customers wanting to enjoy everything SC2 has to offer. Our waterpark features a number of exhilarating slides as well as all sorts of water fun and games both indoors and outside. The Ninja TAG active course attracts both adults and children alike as customers try to place first on the leadership board in our high energy arena. We also cater for the littlest of children with our Adventure Play area. So whatever the weather, there's plenty of fun to be had at SC2.
