Fitness Instructor - Club Nova

Key Information

Salary : £23,500 to £27,803 per year (depending on qualifications)

Hours : 37 hours per week

Contract : Permanent

About the Role

As a Fitness Instructor, you will be helping our Members achieve their fitness goals - and have a great experience doing so!

No two days are the same in this role. As a fitness professional, you'll help Members to identify and achieve their goals, with relevant advice and tailored training plans that inspire and motivate them. You will also get involved in promotional activities, and make sure that the members feel heard and listened to.

You'll be delivering Personal Training sessions, creating and running group fitness classes, inducting new members, and generally delivering an all round excellent fitness offer. Through your help, every member will feel supported, comfortable and confident in exercising and using our top of the range equipment safely and effectively.

For those who aren't yet Level 3 Personal Trainer qualified, we will support you to achieve this qualification, with pay increasing within the above band accordingly.

We take great pride in our facilities and the environment we offer to our customers, so we'd expect you to take pride in the gym, ensuring it's clean, tidy, and safe for everyone to use at all times.

Fitness Instructor - Club Nova

About You

Our ideal person is someone who is enthusiastic about wellbeing and fitness, with excellent people skills.

You will ideally be Level 3 Personal Training qualified, and will have experience in supporting people to reach their fitness goals. However, we also welcome applications from those who are Level 2 Gym Instructing qualified and who have a passion for fitness.

Experience of delivering classes would be beneficial, but not essential as we're happy to coach you in delivering the classes we offer, as well as qualify you to deliver some specific classes.

Our Members and customers are hugely important to us, so we're looking for someone who can put people at ease, and who wants to make sure everyone is having a great experience at all times. We believe that wellbeing is about a healthy mind as well as healthy bodies, so if you share that mindset and prioritise enjoyment over calorie counting, then you'll fit right in!

We love to grow our staff, so a desire to learn and develop is essential for this role.

You will need to be flexible on shift patterns as our Members like to train from 6am to 9pm. We are one big team, so we're looking for someone who believes 'teamwork' is more than just a buzzword.
