## About You

In this role, personality is far more important than qualifications. Our kitchens run like clockwork so you'll need to be a great team player who can work fast. You also need to be a clean and tidy person, who takes direction and instruction well.

You'll be peeling, chopping, washing and occasionally scrubbing, so you need to be willing to get your hands a little dirty to make things clean!

We love to invest in our staff so if you're looking to build a career in the kitchen, then we will happily support you to do this with training and qualifications.
